☐ Up to date on all required immunizations for childcare

☐ No allergies to pets (our program has 2 dogs)

☐ Enrollment days need to be a minimum of 2 days per week with a set schedule

☐ Able to drop off and pick up during our business hours of 8am to 5pm, Monday through Thursday. Drop offs are required between 8am to 9am unless a child is attending a morning appointment. Latest drop off for these reasons is 12pm. Pickups between the hours of 3:30pm to 5pm or by 1pm if leaving early on a particular day. Pickups during naps are allowed for urgent matters only.

☐ Parents must have a back up plan for both scheduled and unscheduled closures. Please refer to the yearly calendar on the website www.kellysdaycarecolorado.com under Parent's Page for planned closures.

Please note that we offer toddler cots for nap time with one nap scheduled at about 1:30pm, no pacificiers in care, and a preschool program geared for ages 2 years and up. Regular non nappers are not eligible for the program.

All initial visits are treated as an interview and openings are not guaranteed spots in the program. Families will be notified within 72 hours after the visit of approval/denial/pending approval to apply for the program. Scheduled visits will be conducted when spots become available. Child must be present during visit along with parents/guardians, no additional family members/friends with the exception of siblings.

If you do not meet all of these requirements, Kelly's Day Care can refer you out so you may find a great fit for care.

Two week registration deposit required for care. Please inquire for the deposit amount.

It is high recommended to join the waiting list if spots are not immediately available. There is no fee to be added to the waiting list.
